

# IQUADRAT acquired by Scopevisio

February 2022

## GHZ Partners advises Scopevisio AG on its acquisition of IQUADRAT AG

GHZ Partners is pleased to announce that it acted as a financial advisor to Scopevisio AG, a cloud software vendor for medium-sized companies, on its acquisition of IQUADRAT AG, a provider of software solutions for document management, flexible processes, and legally compliant archiving.

Headquartered in Wuppertal, IQUADRAT AG with its PHOENIX solutions, is leading provider of professional and legally compliant workflow and document management systems (DMS).

Scopevisio Group AG employs over 200 people in Germany and Austria and currently serves more than 7,500 customers.

The terms of the transaction were not disclosed.
